

# ALL THINGS CONSIDERED

A Letter From The Editor

by Richard Wampler

Greetings From McDonough, Georgia! Welcome to all new adoptive and foster parents, and welcome back to you who have been steadfast for many years!

As you have probably noticed, the *SEEKER* has an entirely new look. It has been remodeled and retro-fitted to reflect the reality of travelling into a new century. We have kept some of the original sections, like *Regional News*, where every region has a chance to "spread the news" about stirring events in their areas, and added some new material.

We are excited about some of the new additions, such as *Legislative Lingo*, our new column which focuses on key points currently being dealt with by our state officials concerning adoptive and foster parents.

*InfoNet* is our new question and answer system where problems and concerns can be sent in. We will do our very best to find an appropriate response and print the questions and answers in the next newsletter.

Another exciting new addition is our *Making A Difference* column, which puts focus on foster children selected from each region who's perseverance has enabled them to come out on top regardless of their past.

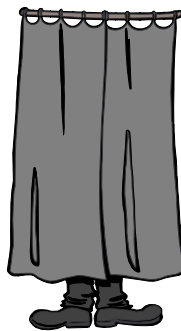

We have added two new columns, *StressBusters* and *Quotes A Plenty*, for those who need a little humor to help get through those trying times.

We hope you will enjoy this new format. As the title of this column suggests, all things are considered, so send in any questions, comments, articles of interest, photos, etc...and we will do our best to see that everything has it's chance to "shine." I'm looking forward to hearing from you!

Sincerely Your Friend, Rich
