

OLDEST FOSTER PARENT IN GEORGIA

James Earl Underwood, 86, has been recognized as the "Oldest Foster Parent in Georgia," according to Department of Family and Children Services Director Ross Collins. Underwood and his wife Louise have been an approved foster family for Murray County DFCS since March

1994. They have fostered more than 20 children! I think this couple should not only be commended for the wonderful job they have done, but also thanked for the sacrifice they have given in their lives for such a worthy cause! Thank You Mr. and Mrs. Underwood!!!
