"ALL ABOUT ME: CHRISTMAS"
David, Age 9*

David
Dec. 14

One morning I woke up I looked out my bedroom window and I saw snowflakes. So I got dressed and ran downstairs I saw presents, lights and snow outside. SO you know it was Christmas and winter. So at 12 o'clock you know it will be happy New Years Day. Then it was night again and on the roof was Santa Claus and the elves were in the slight.
