

Sweet Talk Your Kids

Your tone of voice when speaking to your children sets the tone for their way of speaking, even when they speak to themselves. If you have an abrasive way of speaking to them, practice speaking pleasantly.

Professional singers spend countless hours practicing for their audiences. All parents are professional communicators and all children are entitled to be spoken to pleasantly.

From Rabbi Pliskin's new book: "Happiness: Formulas, Stories, and Insights" (p.123)
